## Plisse Order Preparation Worksheet for Windows

Follow these simple steps to gather all the information you will need to order your Plisse window screen

*Print one work sheet for each screen you would like to order*

Location of this screen (something like "kitchen window") \_\_\_\_\_

Detailed measuring instructions with photos can be viewed at [measuring instructions page](#)

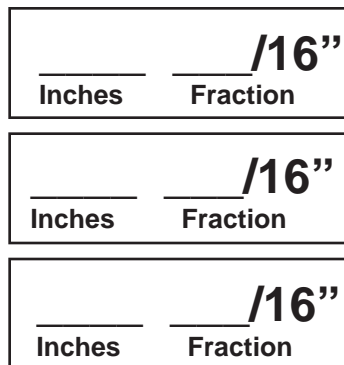

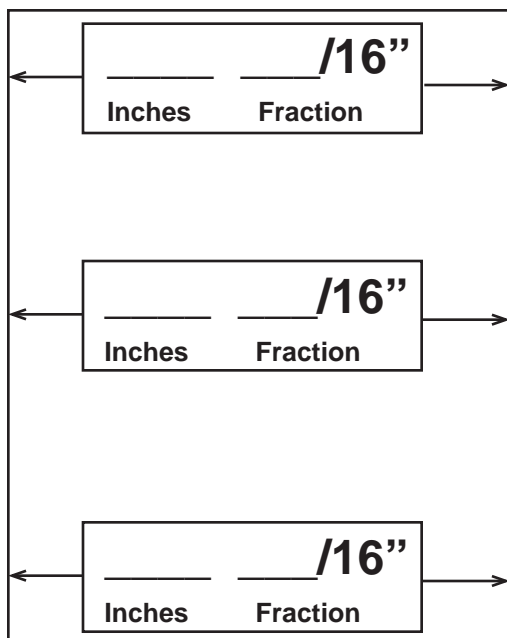

*Remember to make accurate measurements.*

*Custom sized window screens can not be returned if they do not fit.*

### Step 1

#### Measure Width

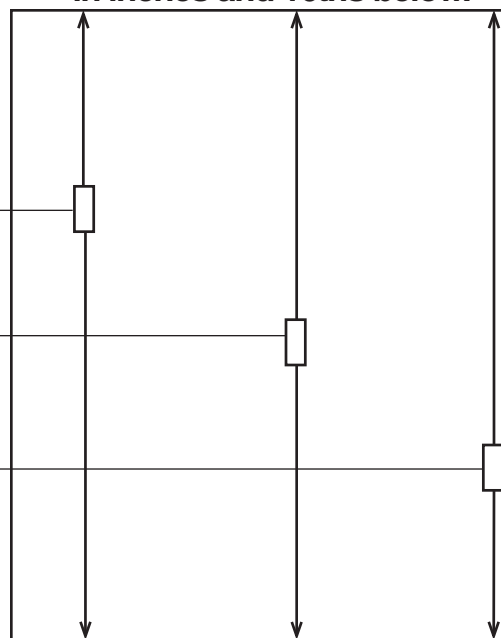

Make three measurements. At the top, at the bottom and at the center. Record the measurements in inches and 16ths below.

### Step 2

#### Measure Height

Make three measurements. One at either side and one in the center. Record measurements in inches and 16ths below.

### Step 3 Circle the direction you want the screen to open

From bottom to top

-OR-

From side to side

(Height can not exceed 50 inches)

(Width can not exceed 50 inches)

### Step 4 Circle the frame color you want

White Bronze Sand Creme Custom\*

\*a color match charge is incurred, please send sample of color to be matched

### Step 5 Gather credit card, credit card billing address and ship to address

We accept Visa, Mastercard and Discover
